

The Phoenix Practice

Salaried GP

We are a 8 GP friendly well established practice in leafy North West London. Looking for an enthusiastic salaried GP to provide 2-3 sessions/week - Monday-PM & Friday AM/PM.

The Phoenix Practice is a well-regarded practice with a diverse patient list of over 11,000. We have 2 practice nurses, clinical pharmacist's, HCA's and Care Coordinators, and are actively expanding our team and skill mix. We use EMIS, AccuRX, Docman10. We are the Lead Practice for our PCN serving a population of over 50,000. We have access to the full complement of staff employed within our PCN which includes First Contact Practitioners, Social Prescribers, a Health & Wellbeing Coach, Clinical Pharmacists, Mental Health Practitioners and a Dietician.

We are a training practice with links to UCLH/RFH and an interest in undergraduate training would be an advantage, but not essential.

We offer a friendly working environment, access to an approved car salary sacrifice scheme and a competitive salary in line with local and national standards.

Informal enquiries are welcome. Please call or email to arrange a practice visit/chat to one of the partners, or apply with CV to ismail.lhahir@nhs.net / Tel. **0208 203 6948**
